SANiTy STATE CONFERENCE
Student Experience – Best Practice

Wednesday, 19 October 2016

STRATEGIES IN HELPING STUDENTS IN A SUPPORTIVE ENVIRONMENT

This conference aims to bring participants together to explore potential challenges in a supportive environment. By attending the conference, participants will benefit enormously from connecting with experienced peers, gain valuable exposure to issues they may encounter and derive important feedback for their workplace. Also exposure to effective program deliveries first hand by experts and exploring best practice from a local and national perspective.

Highlights of the Conference

- Keynote Address: Bill Spurr, Chairman StudyAdelaide
- Developing and implementing Marketing Strategies
- The latest approaches to Student Support Services
- Managing Student Well-being
- Student Health, Mental Health and Critical Incidents

It is important that delegates feel connected, supported and empowered in all areas of international education

The international student experience and their education to become global citizens covers a broad range including where they live as well as their study and work experiences which we will explore with the varied guest speakers.
