

INTERNATIONAL UNIVERSITY STUDENTS, INCOME AND DECISION MAKING – HAVE YOUR SAY!

ARE YOU AN INTERNATIONAL UNIVERSITY STUDENT?

DID YOU STUDY IN AUSTRALIA IN 2020 AND/OR 2021?

If you answered ‘**yes**’ to these questions, we would like to talk to you and hear your experiences making decisions during this time.

We are interested in talking about any decisions that are **important to you**. These decisions can be ‘everyday’ choices (e.g. food, seeing friends) or bigger decisions (e.g. moving house, traveling overseas).

Our project aims to explore international students’ perceptions of their income security and experiences of making decisions that might have an influence on their health, with a specific focus on the experiences during the Covid-19 pandemic.

Participation in the project involves a **confidential interview**, lasting about 30-60 minutes. The interviews are conducted either via zoom video calls or face-to-face in a convenient location.

As a thank you for your time, we will provide you with a **AU\$40** visa gift card at the completion of the interview.

If you are interested, **scan the QR code** or **[click here](#)** to read more about the study and to fill your name and contact details. We’ll be in touch to arrange a time for an interview.

This study has received Deakin University ethics approval (reference number: 2021-447).
