from City of Melbourne, **Riyadh Almalki** & team from **The Couch** in giving me this chance to co-organize this event and to have such a talented and dedicated team. **Khanh M. (Stacy) Doan** and **Cece Nguyen**'s performance as MCs was impeccable and truly brought life to the stage, not to mention their tireless support on other event logistics. **Elle Phan** who I came to whenever I had a question/issue, her coordination with all related stakeholders was outstanding, ensuring everything ran smoothly. Little by little, we made this remarkable event, and we made friends too, which will be a highlight of my Melbourne experience 🌟🥰🥰.
