Student Experience Survey – International students

Undergraduate student education experience by citizenship status, 2022 (% positive rating)

International students have historically rated aspects of their higher education experience lower than domestic students. However, in 2022 key international ratings were on par or higher.

The screenshot shows the NCVET website interface. At the top left is the NCVET logo. To the right are links for 'About NCVET', 'Contact Us', and 'Subscribe', along with a search icon. Below this is a navigation bar with three tabs: 'Research & Statistics' (selected), 'RTO Hub', and 'News & Events'. A breadcrumb trail reads 'Home > Research & Statistics > Publications'. The main content area features a document icon, the title 'International onshore VET qualification completer outcomes 2022', and the author 'By NCVET'. Below the title are the details: 'Statistical report', '27 April 2023', and '978-1-922801-08-1'. A horizontal menu contains buttons for 'Description', 'Highlights', 'Report' (which is highlighted with a dashed border), 'DataBuilder', 'Download', 'Data', and 'Related items'. The 'Description' section is expanded, showing a paragraph of text.
