EDUCATION

# AN EDUCATION TO BE PROUD OF

---

- 125,000 international students
- \$4.28 billion per annum
- Supports 32,000 jobs
- 90% student satisfaction
- All eight Unis ranked in top 3% globally

# Beyond Economic Value

- It's about helping Kiwi students become better prepared to be global citizens
- It's about transforming the lives of students from all over the world who come here by giving them access to our quality education system in a safe and supportive environment
- It's about striving to provide all students the best teaching and learning – not the best in New Zealand
- It's about helping New Zealand communities to make better connections with the world
- It's about providing learning opportunities and resources that benefit kiwi students and communities

# STUDENT WELLBEING TO THE FORE

- Strategy being developed by Ministry of Education, with support from ENZ
- 90% of students are currently satisfied. Concerns raised:
  - expectations about cost of living before arrival
  - greater access to relevant information
- Four pillars in draft strategy:
  - economic wellbeing
  - health and wellbeing
  - quality education
  - inclusion
- Supplements student welfare provisions in the strengthened Code of Practice
- First consultation workshops in August; Phase two consultation now
- Will be launched as part of the wider International Education Strategy

# A NEW INTERNATIONAL EDUCATION STRATEGY FOR NEW ZEALAND

- Provide a pathway for sustainable growth
- Increase international student satisfaction and wellbeing, and success for students once they finish their studies
- Increase the benefits of international education across New Zealand
- Acknowledge that diversification is critical for sustainable growth
- Involve government and industry
- Oct/Nov: Engagement including workshops and meetings, online survey
- Jan/Feb: Formal consultation on the draft strategy

# ENZ'S FIVE FOCUS AREAS

Lead international education in thinking and implementation

Tell the story in New Zealand

Drive student mobility for value to New Zealand

Drive education delivery offshore for value to New Zealand

Improve ENZ's capability
