

Dear ISANA Member,

Welcome from ACTiveNSW President

Welcome to the June edition of our eNewsletter!

I am thrilled to share with you the latest updates, achievements, and upcoming events within our vibrant community. Your dedication and passion for enhancing the international student experience continue to inspire us all.

In the past quarter, ISANA has hosted professional development workshops and webinars, focusing on topics such as International Student management, orientation, the ESOS legislative framework and the national code, Ombudsman services. These sessions were well-attended and received positive feedback for their practical insights and interactive formats.

As the President of ISANA ACTiveNSW Branch, I attended the ISANA National Council annual planning meeting held in Adelaide on 25 and 26 May at Study Adelaide's boardroom. An update on Professional Development workshops 2024 calendar, the 34th ISANA Conference and budget was provided, and the team discussed ISANA membership and upcoming projects.

ISANA has been actively engaging with government and educational bodies to advocate for policies that benefit international students. Recent efforts include lobbying for improved support services for international students and the review of international and education

legislative framework and the ESOS bill. Stay informed about our ongoing advocacy work and how you can get involved.

Early-bird registrations are now open for 34th ISANA Conference, <https://isanaconference.com/>, which is set to take place on 4-5 December 2024, at the Adelaide Convention Centre, SA.

I look forward to meeting you soon as we continue our engagement events during 2024.

Please feel free to contact me or any member of the committee at activesw@isana.org.au
