

Dear ISANA Member,

It with great sadness that I announce the recent passing of ISANA Life Member, Felicity Fallon.

Felicity joined ISANA in 2004 and served on the ISANA National Council over a period of five years; two years as the Vice President Professional Development from 2005-2006 and three years as the National President from 2007-2009.

Felicity worked tirelessly to represent the interests of ISANA and its Members and contributed significantly to the professional development of international education professionals through both ISANA's PD program and the development of the ISANA National Code Online Tutorial.

In 2012, Felicity was awarded Life Membership not just because of the leadership roles she held, but because of her ongoing commitment to the Association before this time and after.

Felicity's true belief in ISANA's mission, values, and dedication to the welfare of international students continued with her for the remainder of her life, as evidenced when Felicity contacted me from her aged care facility, in July 2022. Felicity was seeking advice, "as she no longer had any connections in the industry", to help an international student nurse who had cared for her that morning; concerned that the student was not receiving

adequate support or guidance from her institution, regarding issues affecting her completing the course.

The passion that Felicity had for ISANA was remarkable.

We wish to pass on our sincere condolences to Felicity's family, loved ones and those members of our ISANA family who had the privilege of working with Felicity.

Felicity encompassed the 'true ISANA spirit' to which many of us aspire – a collegial, sharing approach amongst education professionals for the betterment of the international student experience.

Warm regards

Sharon Cook
