

Dear,

We invite you to join Study Melbourne and ISANA to hear the latest findings from Allianz's ['State of Student Healthcare' 2024 Report](#).

The State of Student Healthcare Report presents insights into the needs, concerns, attitudes and behaviours of international students in Australia, with a focus on everyday life, health and wellbeing.

This year's report explores international students' physical health, mental wellbeing, and the barriers they face as they adapt to life in Australia and reveals very interesting and some surprising findings.

Joe Hernandez, Senior Manager of Strategic Business Development at Allianz will present the Report and our panel of experts will discuss some of the key findings.

Panellists:

- Param Arputhanathan, Campus Engagement and Culture, Monash University, & ISANA VIC/TAS President
- Katherine Soriano, Student Advisor (International) La Trobe University
- Clare Harper, Senior Manager Student Programs and the Study Melbourne Hub

Date: Wednesday, 13 August 2025

Time: 10-11am

Venue: Study Melbourne Hub, 17 Hardware Lane, Melbourne

Register via Humanitix: <https://events.humanitix.com/state-of-student-healthcare-report>

Morning tea will be provided.

We hope to see you next week.
